

Gender-Diverse & Transgender Children

Visit the American Academy of Pediatrics Healthy Children site page titled *Gender Non-Conforming & Transgender Children*. The link is available in [Focused Topics, Creating Gender Safe Spaces Lesson 3 Explore activity](#). After reading this information, answer the following questions:

1. What factors are involved in a child choosing to transition?
2. What 'causes' children to be transgender?
3. Name three things families and programs can do to help support gender-diverse or gender-expansive and LGBTQ children or youth.
