lden	tifying sounds			
	gnizing, naming, and suggesting words rhyme			
	ning and segmenting compound words essed week 11)			
	nenting words into syllables and ding syllables (assessed week 16)			
	tifying the initial sounds of familiar ds (assessed week 23)			
the e	iding the two initial sounds (body) with ending sounds (coda) of one-syllable d (assessed week 30)			
rema	iding the initial sound (onset) with the aining sounds (rime) of one-syllable d (assessed week 30)			
*Ider	tifying final sound			
Letter	knowledge (begins Week 6)			
Lette	er sounds			
lden weel	tifying uppercase letters (assessed < 43)			
Print #	Knowledge (begins Week 1)		•	
Und	erstanding how books work			
Und	erstanding how sentences work			
Writin	<b>g</b> (begins Week 7)			
Begi	nning skills in forming letters and words			

\*For children who are ready to learn this advanced skill

Child:	Classroom:	Staff:	Period:	to
Foundation	Skill	Observed or Assessed (dates)	Follow-Up Learning Plan	
Mathematic	S			
Number kno	owledge (begins Week 1)			
Understan	ding small numbers			
Understan number qu	ding comparison words used with Jantities			
One-to-on	e counting (assessed week 13)			
	ding that the last number counted how many" (assessed week 13)			
Recognizir week 22)	ng and naming numerals (assessed			
Understan (assessed v	ding the concept of "one more" week 27)			
Geometric a	nd spatial knowledge (begins Wee	ek 4)		
Recognizir	ng and labeling basic shapes			
Creating b	asic shapes			
Recognizir other	ng how shapes are related to each			
Recognizir	ng variations of basic shapes			
Pattern kno	<b>wledge</b> (begins Week 14)			
ldentifying	basic patterns			
Creating b	asic patterns			
Creating m	nore complex patterns			
Measureme	<b>nt knowledge</b> (begins Week 24)			
Assigning	number values when measuring			
Using basi	c measurement skills			
*Understan measurem	iding and using standard forms of ent			

\*For children who are ready to learn this advanced skill

Child:	Classroom:	Staff:	Period:	to
Foundation Skill	I.	Observed or Assessed (dates)	Follow-Up Learning Plan	
Self-Regulation				
Self-control (beg	jins Week 1)			
Self-control of I	behaviors			
Self-control of e	emotions			
Self-control of t	thoughts			
Concentration (b	oegins Week 4)	•		
Concentrating	on an experience			
Concentrating	on self			
Concentrating	on others			
Executive function	<b>on</b> (begins Week 8)	·		
Paying attentio	n and flexibly shifting focus			
Holding onto a	nd using information			
Inhibiting thou inappropriate t	ghts and responses o situation			
Social-Emotiona	I			
Relationship ski	<b>lls</b> (begins Week 1)			
Initiating Play				
Sharing, taking peers or adults	turns, and cooperating with			
Solving social p	problems			
Being friendly a	and helpful			
Emotion knowle	<b>dge</b> (begins Week 10)			
Understanding	different emotions			
Managing emo	tions			
Perspective-taki	i <b>ng</b> (begins Week 28)			
	another person's perspective			
-	sibility (begins Week 32)			
Understanding responsibility	and taking personal			

Child:	Classroom:	Staff:	Period:	to
Foundation S	Skill	Observed or Assessed (dates)	Follow-Up Learning Plan	
Social Studie	es			
Appreciation	n of individual and family diversit	<b>y</b> (begins Week 1)		
Understand are unique	ding some of the ways individuals
